Shipping weight 200 pounds

Overview/Benefits

The one-piece, ergonomically designed Sorting Table body is made of lightweight yet durable 100% virgin polyethylene resin with smooth, snag-free, and easy to clean surfaces. Waterproof polyethylene eliminates the issues of splintering, corrosion, snagging, bacterial/fungal growth, sharp edges, and staining due to rust/mold commonly associated with wooden and metal surfaces.

Standard features

- Table bodies and steel frames can be nested separately to save on storage space and shipping costs
- Raised sides help to increase capacity while reducing spillage
- Includes two 6" fixed casters and two 6" swivel casters with sidelock brakes
- Powder-coated steel frame
- Non-marking movement on a variety of surfaces

Color Options

Royal Blue
